Warner's Rust-Proof Corsets

May resemble many other corsets, but there is no other make of corset to which the interior corresponds. Warner's Corsets are made to wear—not to rust, break or tear. The non-rustable, non-breakable features are due to the boning, the entire service to the quality of the fabric and the making.

If a pair rust, break or tear, return it and your money will be refunded. Warner's Corsets make the fashion, because they are designed away from other makes and harmonize with dress styles.

HAIL TO THE KNIGHTS

They Are Coming, Father Abraham,

Five Hundred Strong or More

—A Cordial Welcome

Awaits the Arrival

of the Visit-

ing Knights

The institution of a Knights of Columbus Council in this city tomorrow will be an event of the year. Every detail connected with the celebration will be marked by a completeness and an elaboration that will make the occasion a memorable one.

All matters pertaining to and connected with the institution and initiation, being deeply imbued with a religious and patriotic spirit, is a sufficient justification of their observance on the Sabbath.

Delegations from every city of importance in the State of Kentucky, whilst West Virginia and Ohio will send their quota of representatives.

The services will begin with a Mass in the ancient edifice, St. Patrick's Church, Lime-stone street, followed by a short address to the Knights by the Rev. Pastor, Father Jones. To enable the visiting Knights to attend this

Mass, it will not begin before 11 o'clock. The incoming Knights will be met at the Depots by the Reception Committee and escorted to the Church to attend this service.

After the religious service dinner will be served to the visiting and local Knights at the Princess Skating Rink, the hotel accommodations of this city being insufficient for the simultaneous sitting of all the Knights, who will number between 400 and 600.

The initiatory services will be held at the Washington Opera-house, commencing at 1:30 p. m., where three Degrees of the Order will be conferred on the local Knights and such other qualified, properly-accredited candidates who may present themselves. The giving of the Degrees will consume about seven hours. The First Degree will be conferred by the Newport Council. The Second Degree will be conferred by the Covington Council. The Third Degree will be conferred by James Rogers and Staff of Louisville.

Maysville has about 57 candidates for Degrees, whilst the neighboring cities will, to some extent, augment the number. Among the candidates of the local Council are to be found men in every walk of life, except men engaged in the manufacture or sale of intoxicating liquors or in anywise connected with the manufacture or sale thereof. Doctors, lawyers, bankers, tradesmen, merchants and three Clergymen are among the local candidates.

The following are the candidates for initiation:

John T. Coughlin, Charles F. McNamara, James Ford, Rev. P. M. Jones, John O'Keefe, John T. Driscoll, William McDonough, Joseph Coleman, Michael Brown, William J. Kirwin, W. T. Cummins, James E. Kirwin, Frank P. O'Donnell, John Kirwin, Gratus L. Willett, John J. O'Donnell, John T. Short, James E. Culley, Henry J. Shea, Paul P. Cullen, James S. Redmond, Rev. John Adlesperger, Patrick Gantley, Thomas W. Breen, James Dunn, Thomas D. Slattery, James E. Collopy, Patrick F. O'Neal, James F. Walton, Philip Cummins, James N. Kishoe, Anthony F. Diener, Thomas Brauner, Rev. John P. Cavanagh, Patrick Conner, James M. Collins, M. F. Coughlin, Charles R. Sheridan, T. D. Buckley, John V. Dea, M. J. Flarity, Cornelius Flanagan, Thomas F. King, J. H. Murray, Patrick J. Collopy, Charles Collins, John O'Mahoney, J. J. Larkin, William Gantley, William Mackey, James McPadde, George L. Deneer, John S. McGlone, Patrick King, M. J. Lynch.

After the conferring of Degrees, the body will repair to the Princess Skating Rink, where an elaborate banquet will be spread by the Ladies' Auxiliary of the St. Patrick congregation, under whose efficient supervision the dinner will also be served. The entertainment at the Rink will be of a high-class intellectual order, as is evidenced by the program below:

Sweet Peas should be planted now just as soon as the ground can be gotten ready. This is one of the secrets of successful sweet pea culture. The other is use of good seed. Head both points and you'll soon have plenty of beautiful, large, fragrant blossoms—the kind which you have tried to raise, but have been disappointed from using old seeds of uncertain origin. You'll never be disappointed if you plant

LANDRETH'S SWEET PEA SEEDS.

They are all fresh, fertile seeds, the result of scientific plaiting by a reliable seed grower. The mixed sweet pea seeds will give you blossoms of every color ever seen or heard of in sweet peas.

THE INTELLIGENT USE OF

Newbro's Herpicide

RARELY FAILS TO PRODUCE THE MOST GRATIFYING RESULTS.

Miss Della Knight

The prominent American actress, whose photograph is shown above, writes as follows:

"I have found nothing to equal Newbro's Herpicide. It keeps the hair from falling and frees the scalp of dandruff. An occasional application leaves the hair delightfully fluffy."

(Signed) DELLA KNIGHT.

READ THIS LETTER.

"Enclosed please find coupons for soap and comb, with order for 88 cents, for which please send the above articles.

"I have used Newbro's Herpicide for two years and think an article so meritorious should be well advertised and widely used, for it is a boon to all womankind. I am giving you my experience, and if you think it likely to be of interest you are welcome to use it as you think best, for I have derived such great benefit from Herpicide that I would like others to know of it.

"When I began its use two years ago my hair was only two inches long and very thin, the result of four years' residence in India, the intense heat of the climate having ruined my

hair. I tried everything in Europe and in America without benefit until I tried Herpicide. I am delighted with its effect, and my friends never tire of admiring my hair. It is long, soft and as silky as a baby's hair, not a gray hair to be seen, and my hair was quite gray before I used your incomparable remedy. I do not think the praises of Herpicide can be sung too loudly or too long. Several of my friends are using Herpicide on the strength of my recommendation."

Richmond, Va.

(Signed) MRS. S. A. LEE.

NOTE—Herpicide will not darken gray hair, and we do not want anyone to spend money for Herpicide in the belief that it will. Herpicide will stop falling hair, but if the hair that falls is gray, the new growth will also be gray. In this particular the above case is remarkable.

Send 10 cents in stamp to THE HERPICIDE COMPANY, Dept. L, Detroit, Mich., for sample and booklet. One dollar bottles guaranteed. At Drugstores. When you call for Herpicide do not accept a substitute. Applications at prominent Barber Shops.

This list will be in the hands of the Secretary, and every physician will report to him the names of those who fail to pay promptly.

This move has been made necessary because there are a great many people in this city who will not pay their doctor's bill when presented and are known as "dead beats," and the physicians are tired of being imposed upon by them.

They need their money as bad as anyone else and are entitled to it in fairness.

This list will be published also after March 1st,

PIMPLES

"I tried all kinds of blood remedies which failed to do me any good but I have found the right thing at last. My face was full of pimples and blackheads. After taking C. capsules they all left. I am continuing the treatment and am sending them to my friends. I feel fine when I rise in the morning. Hope to have a chance to recommend Cascarets."

Remarkable Story

The story of Mrs. Matilda Warwick, of Kokomo, Ind., as told below, proves the curative properties of that well-known female remedy, Wine of Cardui. Mrs. Warwick says:

TAKE CARDUI

It Will Help You

"I suffered from pains in my head, shoulders, limbs, side, stomach low down, dizziness, chills, nervousness, fainting spells and other female troubles. I was almost dead. Three doctors did not help me. At last, I took Cardui, and with the first bottle obtained relief. Now I am cured. But for Cardui, I would have been dead." Try Cardui.

Anyone should tell you that it requires no unusual amount of intelligence to select suitable wearing apparel with the present-day methods at one's disposal agree with them, for they tell the truth, but do not fail to mention that intelligence, and that of the highest type, is most essential in selecting the house that not only sells first-class clothing, but that displays the correct styles.

Once you have decided in our favor, a further display of intelligence is unnecessary. In fact, you would be perfectly safe in selecting the style bi-folded, merely repeating the words, "My mother told me to take this one."

JUDGE FOR YOURSELF

Which Is Better—Try an Experiment or Profit by a Maysville Citizen's Experience.

Something new is an experiment. Must be proved to be as represented. The statement of a manufacturer is not convincing proof of merit.

But the endorsement of friends is. Now supposing you had a bad back.

A lame, Weak or Aching one. Would you experiment on it?

You will read of many so-called cures.

Endorsed by strangers from far-away places.

It's different when the endorsement comes from home.

Easy to prove local testimony. Home endorsement is the proof that backs every box of Doan's Kidney Pills.

Read this case:

J. M. Lloyd, farmer, R. F. D. No. 5, Maysville, Ky., says:

"I am only too pleased to tell of my experience with Doan's Kidney Pills and hope that it will be the means of helping some other sufferers from kidney trouble in finding relief. About five years ago my kidneys suddenly became disordered and for several months I was bothered by constant, dull pains across my loins. When I stooped or lifted, sharp twinges shot through my body and caused the most intense suffering. I at length heard of Doan's Kidney Pills, procured a box at J. J. Wood & Son's Drugstore and began using them. They effected a complete cure, and since then I have not had backache or any other symptom of kidney trouble."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.
